## *right on schedule*

Sid Richardson Carbon Company brings deliveries to you as required, just as the chuck-wagon follows and serves the cow-hands during round-up time.

Our aim is to make these deliveries of **TEXAS "E"** and **TEXAS "M"** highest quality channel blacks right on schedule, at the time and place specified by you and in the exact quantities desired.

With the world's largest channel black plant and abundant natural resources, we are able to assure your present and future deliveries of these economical-to-use channel blacks.

Let us help keep you on schedule!

# *Sid Richardson*
